- Mr. Rick Jackson - Member
- Mr. Johnie Thomsen - Member
- Mr. Steve Nagle - Member

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

School Profile (School Year 2015-16)

Oasis Continuation High is one of three high schools in the Kingsburg Joint Union High School District and the only continuation high school. Curriculum is focused on the California Standards in each content area. The school supports cultural awareness in many ways that include, but are not limited to: reading culturally diverse literature selections in English class, the study of cultures, histories and influences in World History.

Enrollment By Grade (School Year 2015-16)

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Highly Qualified Teachers (School Year 2015-16)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified". Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

| Highly Qualified Teachers | | |
|----------------------------------|--|--|
| | % of Core Academic Courses Taught By Highly Qualified Teachers | % of Core Academic Courses Taught By Non-Highly Qualified Teachers |
| School | 100.0% | 0.0% |
| All Schools in District | 94.9% | 5.1% |
| High-Poverty Schools in District | 94.9% | 5.1% |
| Low-Poverty Schools in District | N/A | N/A |

Teacher Assignment

The district recruits and employs the most qualified credentialed teachers. This chart shows information about teacher credentials.

| | Teacher Credential Status | | | |
|--|---------------------------|-------|-------|----------|
| | School | | | District |
| | 14-15 | 15-16 | 16-17 | 16-17 |
| Fully Credentialed | 4 | 4 | 4 | 55 |
| Without Full Credentials | 0 | 0 | 0 | 0 |
| Teaching Outside Subject Area of Competence (with full credential) | 0 | 0 | 0 | 0 |

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

| Misassignments/Vacancies | | | |
|--|----------|----------|----------|
| | 13-14 | 14-15 | 15-16 |
| Misassignments of Teachers of English Learners | 0 | 0 | 0 |
| Misassignments of Teachers (other) | 0 | 0 | 0 |
| Total Misassignments of Teachers | 0 | 0 | 0 |
| Vacant Teacher Positions | 0 | 0 | 0 |

Science Lab Equipment

The school stocks an adequate supply of equipment for its students. Inventory includes, but is not limited to: microscopes, slides, ring stands, clamps, support rings, utility clamps, test tubes, test tube holders and brushes, tongs, flasks, beakers, and Bunsen burners. For more information, please call the school office.

Instructional Materials (School Year 2016-17)

Kingsburg Joint Union High District held a public hearing on September 12, 2016, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in December 2016 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facilities (School Year 2015-16)

Oasis Continuation High was originally constructed in 1994 and is comprised of 4 classrooms, 1 computer lab and 1 staff lounge.

Cleaning Process: The principal works daily with the custodial staff of 5 (4 full-time and 1 part-time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance and Repair District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs.

While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. Data displayed in the chart was collected in September, 2016.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. The paper-pencil assessments include the Science assessments for grades five, eight, and ten: the California Standards Tests (CSTs) for Science, the California Modified Assessment (CMA) for Science, and California Alternate Performance Assessment (CAPA) for Science. There is also the optional Standards-based Tests in Spanish (STS) for Reading/Language Arts (RLA).

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student's academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student's academic achievement, including such measures as classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

This table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11) and Math (grades 3-8 and 11) for the past two school years, and Science (grades 5, 8, and 10) for the past three school years.

| California Assessment of Student Performance and Progress | | | | | | | | | |
|--|--------|------|------|----------|------|------|-------|------|------|
| Percent of Students Meeting or Exceeding the State Standards | | | | | | | | | |
| Subject | School | | | District | | | State | | |
| | 2014 | 2015 | 2016 | 2014 | 2015 | 2016 | 2014 | 2015 | 2016 |

| Science (Grades 5, 8, and 10) | 6 | 18 | 20 | 57 | 46 | 59 | 60 | 56 | 54 |

The following table displays information on student achievement for Science for grades five, eight, and ten.

| California Assessment of Student Performance and Progress - Science | | | | |
|---|------------------|---------------|----------------|-------------------------------|
| Student Groups | Science | | | |
| | Total Enrollment | Number Tested | Percent Tested | % Met or Exceeded CA Standard |
| All Students | 17 | 15 | 88.24 | 20 |
| Male | 12 | 10 | 83.33 | 30 |
| Hispanic or Latino | 14 | 13 | 92.86 | 23.08 |
| Socioeconomically Disadvantaged | 12 | 11 | 91.67 | 18.18 |

Note: ELA test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

UC/CSU Course Completion

Students at Oasis Continuation High are encouraged to take University of California/California State University (UC/CSU) A to G preparatory courses in order to provide them with the option to attend a four-year university. All students must pass each course with a grade no lower than a 'C'. It is our goal to ensure that all students have as many post secondary options as possible and by insisting on a rigorous curriculum for all students hope to increase each students options upon high school graduation.

To view the courses that are on the UC/CSU A-G list you may log on to www.ucop.edu/doorways/list

| UC/CSU Course Enrollment | |

Career Technical Education (CTE) Programs

The career planning program prepares students to succeed in real-world contexts through the development of conceptual thinking, effective communication, and the ability to apply knowledge and skills learned in the classroom. Instructors at our school have directed efforts toward establishing school-to-work structures within each curricular area for all students, including those with special needs. Advisors/Guidance Counselors offer additional support through various programs, including our our-year career education curriculum provided by our College and Career Center technician expert. Currently, Oasis High School does not have any CTE programs.

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

Physical Fitness (School Year 2015-16)

In the spring of each year, each school is required by the state to administer a physical fitness test to all students in grade nine. The physical fitness test is a standardized evaluation that tracks the development of high-quality fitness programs and assists students in establishing physical activity as part of their daily lives. Results of student performance are compared to other students statewide who took the test.

| Percentage of Students in Healthy Fitness Zone 2015-16 | | | |
|---|-----------------------|-----------------------|----------------------|
| Grade Level | Four of Six Standards | Five of Six Standards | Six of Six Standards |
| 9 | - | - | - |

**Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school-site.

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Oasis Continuation High at (559) 897-3880.

Parent Involvement (School Year 2015-16)

Oasis Continuation High greatly benefits from its supportive parents who generously give of their time and support their student's success. Each parent knows that they can contact the school and they are willing to make appointments with administration and school staff. Some of the reasons that parents participate include; WASC committees, student recognition breakfast's and quarterly bbqs.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates and graduation rates.

Dropout & Graduation Rates (Four-Year Cohort Rate)

Oasis Continuation High believes that effective instruction consists of the continuous building of new concepts upon existing ones and requires regular attendance and participation. In hopes of preventing and reducing dropouts, the following programs are made available to students: academic and personal counseling, academic interventions. We also offer flexibility for students to earn a diploma through one of our three programs: Continuation High School, Independent Study Program, and Adult Education.

| | Graduation & Dropout Rates | | | | | |
|----------|----------------------------|-------|-------|------------|-------|-------|
| | Dropout | | | Graduation | | |
| | 12-13 | 13-14 | 14-15 | 12-13 | 13-14 | 14-15 |
| School | 5.1% | 6.5% | 7.9% | 93.0% | 92.8% | 90.3% |
| District | 5.1% | 6.5% | 7.9% | 93.0% | 92.8% | 90.3% |
| State | 11.4% | 11.5% | 10.7% | 80.4% | 81.0% | 82.3% |

Completion of High School Graduation Requirements

To receive a high school diploma, students must fulfill state and district graduation requirements. The minimum state course requirements for graduation include:

- Three years of English
- Two years of mathematics (including Algebra I)
- Three years of social science (including U.S. history and geography; world history, culture, and geography; one semester of American government; and one semester of economics)
- Two years of science (including biology and physical science)
- Two years of physical education
- The choice of: one year of foreign language; visual and performing arts; or career technical education. For purpose of satisfying the minimum course requirement, a course in American Sign Language shall be deemed a course in foreign language

Students who successfully complete Algebra I in middle school must still complete a minimum of two years of mathematics in high school. Recognizing that these 13 courses of preparation are state minimum requirements, local school boards often set local graduation requirements that exceed the state-mandated requirements

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates and expulsion rates; and
- Other local measures on the sense of safety.

Discipline & Climate for Learning

Students at Oasis Continuation High are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. The goal of Oasis Continuation High discipline program is to provide an environment that is safe and conducive to learning. Parents and students are informed of school rules and discipline policies through the Parent/Student Handbook which is sent home at the beginning of the school year.

The table displays the suspension and expulsion rates for the past three years.

| | Suspensions & Expulsions | | | | | |
|----------|--------------------------|-------|-------|------------|-------|-------|
| | Suspensions | | | Expulsions | | |
| | 13-14 | 14-15 | 15-16 | 13-14 | 14-15 | 15-16 |
| School | 8.70 | 16.42 | 12.70 | 0.00 | 19.40 | 0.00 |
| District | 9.54 | 3.53 | 3.81 | 0.16 | 1.10 | 0.00 |
| State | 4.36 | 3.80 | 3.65 | 0.10 | 0.09 | 0.09 |

Students are encouraged to participate in the school's additional academic and extracurricular activities, which are an integral part of the educational program. These school-wide and classroom incentives promote positive attitudes, encourage achievement, and aid in the prevention of behavioral problems. School recognizes and celebrates the achievements and successes of students and staff on a regular basis. Students are recognized for their achievements during staff/student/parent breakfasts that are held each semester to celebrate student achievement and other student based incentives that celebrate student achievement. Oasis High School is a PBIS Gold school.

Safe School Plan (School Year 2015-16)

Safety of students and staff is a primary concern of Oasis Continuation High. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Safety Plan is reviewed and updated annually. All revisions were communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are held as needed. Students are supervised before and after school by certificated staff, and certificated staff supervise students during lunch. Certificated staff help with supervision during lunch and break periods. There is a designated area for student drop off and pick up. Visitors are required to report directly to the office upon entering campus. The last safe school plan was done in March, 2016.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Advanced Placement Classes (School Year 2014-15)

Oasis Continuation High encourages students to continue their education past high school. Oasis Continuation High does not offer Advanced Placement (AP) courses. This is due to the fact that as a continuation high school our focus is working with students that are deficient credits still have the opportunity to earn a high school diploma.

Additional Internet Access/Public Libraries

Oasis High School has a computer lab with 20 computers as well as 4 computers in the office available to all students. All computers have access to high-speed Internet.

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in the cities of Kingsburg and Selma, which contain numerous computer workstations.

Federal Intervention Program (School Year 2016-17)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not meet federal Annual Measurable Objective targets for two consecutive years in the same area or indicator, including English/Language Arts and Math testing participation rates, attendance rates, and graduation rates. After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not meet those goals. For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

Staff Development

Staff members build teaching skills and concepts by participating in many conferences and workshops throughout the year, then sharing their experiences and knowledge with district colleagues. The district dedicated 30 days to staff development annually for the past three years. Topics for staff development included: differentiated instruction, the use of data to inform instruction, increasing parent communication, and utilizing research based instructional strategies across all curricular areas. The district dedicates three full days and four "foggy in-service" days to staff development annually.

Counseling & Support Staff (School Year 2014-15)

It is the goal of Oasis Continuation High to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. The counselor to pupil ratio is 1:50. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Oasis has a .74 FTE in this area.
