Procedures

To obtain enrollment by “*Interdistrict Transfer Agreement/Permit Form*” into your District of Desired Attendance:

Overview of the two step process: Approval at District of Residence to leave the district AND Approval into the District of Desired Attendance

1. The *Interdistrict Transfer Agreement/Permit Form* is first processed at your district of residence.

Once the form is completed and submitted to your district of residence, the form is processed by the superintendent and/or the governing board stating final approval or denial of the request. If approved, the ID Form will be sent to the district of desired attendance, where you are requesting enrollment for your child.

2. Once the district of desired attendance receives the approved ID Form, it will be placed on the next board agenda for approval or denial. Once processed, a letter will be mailed with the results.

Revoked or Cancelled After Approval:

Interdistrict Transfer Permits/Agreements, if approved, may be cancelled/revoked at any time during the school year for any of the following reasons:

1. Overcrowded classrooms
2. Poor attendance
